<p>Cena netto 40zł za jedną sztukę</p>	 <p>The image shows a technical drawing of a staircase bracket. It is a 3D perspective view of a rectangular object with a height of 250 units. The top edge has a total width of 150 units, with a 120-unit section on the right side. The object features a series of four curved, overlapping steps that descend from the top right towards the bottom left. The drawing uses solid lines for the visible edges and dashed lines for hidden edges to indicate its three-dimensional form.</p>
